

Big Swan Lake Improvement Association of Todd County

Aug. 28 meeting minutes

Meeting called to order by President Mark Brauch with 30 members present.

Members approved minutes of the spring meeting on a motion by Chuck Krippner and a second by Pat Masloski. Treasurer's report was approved on a motion by Dennis Harder and seconded by Lee Algers.

Sue Krippner reported for the charitable gambling committee. She made a motion to distribute gambling funds of \$1,312 to the City of Grey Eagle and \$3,061 the Big Swan Lake Improvement District. The remainder of the 2010 charitable gambling profits, minus the annual year-end profit carryover, will be distributed before Dec. 31, 2010 in the following manner: City of Grey Eagle – 30%, Long Lake Improvement Association – 30%, and the Big Swan LID – 40%. Members approved the motion.

In new business, it was reported that the Purple Martins that had roosted on Big Swan Lake in preparation for their fall migration to South America the last two years had moved to Osakis Lake because natural predators had moved in to disperse them.

President Brauch discussed the formation of a nominating committee. The idea was approved, but no members volunteered to join the committee. Anyone who like to volunteer please contact President Brauch.
