

# Big Swan Lake – Todd County Lake Association Meeting Notice

The Annual Spring Lake Association meeting will be at **10:00 AM on Saturday, June 10, 2023**  
at the Hub Supper Club, 30905 Co Rd 13, Burtrum, MN 56318

Due to lack of volunteers and leadership, our Lake Association is in jeopardy of dissolution. Without the association we will be unable to continue to treat Big Swan Lake for aquatic invasive species (AIS) and to improve the overall quality of the lake.

This meeting will be an opportunity to discuss the future of the Lake Association and for property owners to offer their time and services to help improve the quality of our lake for generations to come. Keeping in mind that everyone has prior commitments in their personal lives, the volunteer opportunities would require minimal time but would make a big impact on our lake.

***\*\*Note date change – due to personal conflicts the meeting will be in June instead of May\*\****
